

NEW ARTISTS WELCOME!

WHAT YOU NEED TO KNOW:

Here at the Beach Hotel we run a full front of house rig just for our live music! We have in house engineers on everyday to help you out with your technical needs and make your performance sound the best it's ever been.

However we do have some requirements before you play your first gig:

- You must have a current and active ABN.
- Please arrive no later than 20 minutes before your set.
- Solo's and duos; you may be asked to play in our Beer Garden stage, you will be required to bring 1x monitor speaker and a mixer. You will not need a full PA set up.
- We do not have a house backline set up, you will need to bring your own or one may be supplied at your budgets expense.
- Please ensure all musical and technical equipment is working before the gig.
**Bands if using 'tracks' of any kind we suggest having them looked over and properly gained by a professional producer.*
- We do supply mic's, XLR cables and mic stands.
- Vocalists please ensure you have an appropriate microphone for a Live sound setting (dynamic microphone preferred), if not we can supply you with one.
- All acoustic guitars of any kind must have pick ups and we suggest a feedback suppressor.
- If you wish to bring a photographer please let us know in advance.
- We provide band riders (1x drink per performer per set) this can be arranged via your engineer on the day.
- If you wish to purchase other food or drinks you will receive 10% off at the bars.

Note: For DJS - we have Pioneer CDJ 3000 and Pioneer Mixer V10, 6 Channel. Please let us know if you require a different set up/bringing your own setup

PLEASE RESPECT OUR HOUSE RULES AND POLICIES ... IF YOU CAN'T DRIVE A CAR, YOU CAN'T PERFORM ON STAGE
